Other Payment Options

Checks

If online payment is impossible, checks may be mailed or delivered to Stanford University Payments Office
Tresidder Memorial Union, 2nd floor
459 Lagunita Drive, Suite 7
Stanford, CA 94305

Checks must be drawn in U.S. funds on a U.S. bank and must not be post-dated. The student’s name and Stanford University identification number should be noted on the check.

Wire Transfer

Payments in foreign currencies should be made via International Funds Transfer in Stanford ePay.

If a wire is the only option the University accepts payment via wire transfer. Include the student name and student ID number in the wire instructions and direct wired funds to:

Beneficiary: Stanford University

Wells Fargo Bank
420 Montgomery Street
San Francisco, CA 94104

Bank account number: 4944-863596
Bank ABA number: 121-000-248
BIC or SWIFT code: WFBISUS6

Note: Use the BIC or Swift code when an IBAN is requested. (IBAN is a European bank account numbering convention that is not used for U.S. bank accounts.)

The payer’s bank will typically charge a service fee to initiate the wire transfer, as will any intermediary banks that assist with the wire transfer. Use IFT for reduced fees and favorable exchange rates.

If the wire transfer is not posted to the student account in five business days, submit a HelpSU ticket with details of the wire instructions.

For sponsors who have signed Third Party Contract (TPC) with Stanford University and received an itemized invoice, please submit payment using the TPC wire transfer instructions available at https://sfs.stanford.edu/alternative-funding-sources-and-benefits/third-party-sponsor-invoicing/invoicing-and-payments
